Team Building

After your meeting wraps, relax with refreshing drinks, enjoy sourdough pizza and small plates, and connect with your team over a game of shuffleboard.

“Shuffle Club was a fantastic venue for our corporate event of 80 people. The space was perfect for our needs, with plenty of break out space on the private terrace - brilliant for a sunny summer day.

Shuffle Club’s team were so helpful, professional and made the pre-organisation very straight forward. On the day, the team were on hand to ensure the tech went smoothly and we transitioned seamlessly from our presentation set up to the social drinks and shuffleboard. We would highly recommend Shuffle Club for professional corporate events with a fun twist.”
